

NAVIANCE STUDENT

FOR MIDDLE SCHOOL FAMILIES!

WHAT IS NAVIANCE STUDENT

Your school has partnered with Naviance to provide a variety of tools for student achievement through academic planning. These tools are located in Naviance Student, a website for students and families to access online resources, communicate with school staff and collaborate on college and career readiness activities.

WHAT CAN STUDENTS DO IN NAVIANCE STUDENT?

Students can research colleges, scholarships, and careers in one location. They can also create individual plans that can be linked to college and career readiness. Students can communicate easily with teachers and counselors.

For college and career readiness, students can request transcripts and recommendations for college applications as well as complete career assessments and perform college and career searches. Students can also create goals and track associated tasks and activities.
